A. Call in Sacred Space for yourself as you work with this matrix. Connect with your intention for this activation.

Intent of Virtual Convergence: The third presentation/activation connects you to the celestial planetary rhythms in order to help you craft your FUTURE.

Convergence Ceremonial Intent: The third presentation/activation connects you to the celestial planetary rhythms in order to help you craft your FUTURE.

Personal Creational Intention for this activation is:

For Nine of Light and Alchemy of Nine Dimensions go to <http://naturalrhythms.org/2.0/learn/helpful-books/> and click on Alchemy.

For more information on Tom Kenyon & the Hathors go to <http://tomkenyon.com>.

The following information on the Sun, Moon, & Planets was created by Cayelin Castell. You can find a copy of some of the information on http://celestialtimings.com/articles/planetary_keywords.html

B. Activate your connection with each of the planets. I suggest you journal after dancing with each one. You might ask how you can most effectively work with them creationally.

Sun (Fire-Leo Personal Planet)

Colors: Yellow, Gold

Cycle: Takes the Earth 365 and ¼ days to go around the Sun each year.

Key Words: Life Force Energy, Fuel, Radiant Energy, Source of life, Divine Life Giving Light, Divine Light giving Life. Shines on everything. Too much Sunlight scorches the Earth, Not enough Sunlight not enough energy to grow and thrive. Growth, Disperses Shadows or Shadow Dispeller, Daylight, Center of the Solar System, Center of annual Time Clock.

Dancing with the Sun connects us to the rhythm of daily life, Sunrise – Mid-day – Sunset and the seasons of the year. The Sun Dance is a dance that connects with Great Mystery itself Divine Source – where divine creation originates.

Moon (Water-Cancer Personal Planet)

Colors: White, Silver, Pearl, Iridescent hues.

Cycle: Affects tides, weather, eclipses and emotions. 29.5 days cycle by phase and 27.3 day cycle to return to starting point.

Key Words: The Lineage, the Ancestors, the Talents and Skills of the Past to be integrated NOW. The mysteries of visible, rhythmic cycles (Moon Phases) that also relate to our experience of time. Transmits or reflects light of Sun, waxing and waning, increasing and decreasing in light.

Dancing with the Moon connects us with the most visible rhythmic experience we can have encompassing both day and night – enacting the Sun's annual cycle each month. The Moon is a transmitter of the mysteries – the place where we begin to understand and experience time beyond the rhythm of day to day expanding to know and experience month to month, year to year.

Mercury (Air-Gemini Personal Planet)

Colors: Sky Blue

Cycle: 88 days to orbit the Sun about 120 days from Retrograde to Retrograde conjunction with the Sun.

Key Words: Quick moving, high speed mental processes, memory, perception, cognition and communication, the transformational messenger, including all forms of creative communication, writing, speaking, acting, art, music, dance, etc. Gathering and disseminating information, thinking patterns, intellect, rational, mastery of reasonable thought process for purpose of moving beyond them - because the mind cannot know it all.

Dancing with Mercury is dancing with the realization of the importance of cognizing and perceiving what is ours to divinely create. From this knowing we discover more of our own creative communication. This is about exploring within the dance of divine creation what our individual creative contribution is and how to communicate it.

(I could not find the one we used at convergence but this is close.)

Music: Buddha Bar Echoes Glender

Venus (Earth-Taurus Personal Planet)

Colors: Royal Blue, Cobalt Blue, Electric Blue

Cycle: 584 Days from Helical Rise to Helical Rise, 8 years to with the Sun near the birthday.

Key Words: Universal Anima, the Divine Feminine expressing as Warrior (Aries), Lover (Taurus) Playful (Gemini) Nurturing Mother (Cancer) Queen (Leo) Priestess (Virgo) Partner (Libra) Shaman/Sorceress/Tantrika (Scorpio) Seeker of Truth (Sagittarius) Grandmother (Capricorn) Revolutionary Eccentric (Aquarius) Compassionate Healer (Pisces) For men their connection to Inner Other

Dancing with Venus in her many forms as described in the 12 archetypes assists us with what is ours to divinely create and birth into this reality. The divine feminine dances with all the archetypes and elements of creation as do we from time to time. And even though we may choose a special lens to explore and evolve we honor and value all the ways the Divine Feminine dances throughout creation as maiden, mother, priestess, grandmother, warrior, queen, minstrel, partner, tantrika, revolutionary, healer, and lover of life.

Music: Lorena Mckennett – Mummings Dance

Mars (Fire-Aries-Personal Planet)

Colors: Bright Red, Blood Red, Deep Red

Cycle: 26 months from acronychal rise to acronychal rise (rising opposite the Sun), 15 to 17 years to return with the Sun near the birthday.

divine guidance, confusion, beyond logic and reason, increasing psychic, intuitive ability, empathic, compassionate, mystical spiritual experiences.

Dancing with Neptune teaches us to dance with the unknown within the Great Mystery as it is ever unfolding revealing the next steps only as we take the step that is our to take now. Learning to trust that the dance we dance is divinely guided from our deepest inner knowing allows the dance to take us into alternate states of reality where the mystical meets the mundane beyond the confines of logic and reason. This is where we are inspired by mature idealism that also informs our divine creation.

Music: Parad Marcome Spiritual High

Pluto (Water–Scorpio Underworld Initiator)

Colors: Deep Dark Indigo, Mid-night Blue, Black.

Cycle: 248 years to return to a starting point. 12 to 30 years in a sign.

Key Words: Death, rebirth, regeneration, resurrection, transformation, alchemy, life force, sexuality, power, control, the underworld, death and dying process either literal physical death or spiritual, mental, or emotional. Destroys to Renew. Law of Life, Deepest Fears, Incorporating the Shadow. Phoenix (rising from the ashes).

Dancing with Pluto teaches us to dance with the Phoenix. This is the dance of surrender and diving into the ashes before being born anew. This is the dance of resurrection and transformation into a powerful shamanic creator who knows the gift of surrender and the greater empowerment that results. This is where personal will is fully aligned with Divine Will and the acts of divine creation are fulfilled from these sacred depths.
